Sir,

Sub:- Kollegal Silk Filatures, Kollegal - Provision of steam and water supply pipe connections to the basins - Sanction for incurring expenditure - requested.

When the Kollegal Silk Filatures, Ltd., Kollegal, was taken over by Government only 108 basins were provided with steam and water pipe connections. The balance of 44 basins were provided with pipe connections after the Filature was taken over. As the work had to be done urgently, I instructed the Manager, Kollegal Silk Filatures to carry out the work in anticipation of Government sanction. The work was carried out by taking the required materials on loan from the Government Silk Filatures, Kollegal and by employing the maintenance staff of the Kollegal Silk Filature on it. The Manager, Kollegal Silk Filatures now reports that the cost of the materials received from the Government Silk Filatures works out to Rs.4345-3-8. In the circumstances, I request that Government

may be pleased to sanction the provision of steam and water supply connections to the basins at a cost not exceeding Rs.4345/- (Rupees four thousand, three hundred and forty five only). The expenditure will be met from the provision for the current year under "85.A. Capital outlay on Provincial Schemes connected with war 1939 - C. Other Miscellaneous Schemes - C. Kollegal Silk Filatures, Kollegal".
